Thanks Emad for asking the question. Please provide Emad with the list of questions related to engineering/occupational exposure assessment. If none, he is not expected to attend the meeting. Thanks.

Hi Alie,

I am wondering if the submitter has any question for the engineer needs to be discussed in the conference call?
If so, please send me an email detailing their questions and concerns.
If you believe there is CBI info, please email me on CBI side.

Thanks,
Emad

Hello all: A friendly reminder to make your entries/edits to the Doodlepoll: <https://doodle.com/poll/9mc3pkcxrqs6in8y>. The submitter has already entered their availability. Iris and Beth, I added more days and times for you to enter your availability and you would have to press the edit button to make the entries (below image). David and Mari are out of the office and after they make their entries when they come back into the office, I'll send the calendar invite. Thanks, Alie
